THE CRYSTAL MAZE
LIVE EXPERIENCE
MANCHESTER

ARE YOU AND YOUR SIGNIFICANT OTHER READY TO BE LOCKED IN FOR LIFE?

The Crystal Maze LIVE Experience offers a unique location for your wedding, steeped in 90's nostalgia and a whole heap of fun! Add a Crystal shine to your special day with one of our exclusive packages, allowing you the chance to get married inside the iconic Crystal Dome or one of our extraordinary zones.

Play the Crystal Maze with your wedding party before exchanging your vows in front of your very own Maze Master – the only hard decision is who of the two of you is going to be captain! Plus, if the in-laws are driving you crazy, we could always help you to orchestrate a lock in situation...

So what are you waiting for? Your marriage awaits...

We can work with you to create a bespoke package, taking into account your budget and timings. Choose one of our zones and let us do the rest.

MEDIEVAL ZONE

Suitable for up to 20 standing guests, you can live out your medieval fantasies by getting married around our Knight's table. A small and intimate space, our medieval chamber allows your guests to view your wedding in the round while you say your vows.

FUTURE ZONE

Suitable for up to 30 standing guests or 15 seated, our Future Zone will give you an out of this world wedding experience. Standing on Mars underneath the planets, swap your vows while your guests look on to other galaxies!

AZTEC ZONE

The biggest of our zones, Aztec has two options for a wedding ceremony. Underneath our Aztec temple, we can seat up to 40 guests or 60 standing guests. Bask under the hot sun whilst exchanging your vows – you could even make your entrances down our Aztec slide! Our second, more intimate location is within the temple itself; our pillared columns allow for up to 30 standing or seated guests around a central point. Embrace the Aztec sand between your toes and sun in your eyes!

THE CRYSTAL DOME

The original and greatest Maze location! Walk down our industrial tunnel towards your partner standing on the steps of the Crystal Dome. Surrounding the dome, up to 80 of your nearest and dearest can gather to watch you exchange your vows in the round (both seated and standing). Once you've become locked in for life, we'll rain golden ticket confetti on you as you try to become our top scoring wedded couple of The Crystal Maze!

PRIVATE HIRE

Want to turn your wedding day into the ultimate challenge? You and your wedding guests can all play the Crystal Maze, before watching you get hitched.

Split into teams of 8, you can invite up to 62 guests to accompany you both to take on a series of physical, mystery, mental and skill games.

Once you've all taken your turn to win a crystal, you can take your pick of getting married in our Medieval, Aztec or Futuristic zones or of course, on the steps of the iconic Crystal Dome. Will you start the confetti fans please!

With prices from £3,500 for Manchester, enquire now with our events team to help plan your perfect wedding day.
