EXPERIENCE

READY FOR THE ULTIMATE TEAM EXPERIENCE?

The Maze is waiting and we have the packages to suit!

Step into five immersive adventure zones: Medieval, Future, Industrial, Ocean and Aztec, where your team will take on a mix of Physical, Skill, Mental and Mystery challenges. Everyone's got a role to play, and every second counts.

For the duration of your booking, the Maze Experience is yours. With exclusive access to the action and hero-worthy food and drink options to keep energy levels high, we've got you covered - whatever your team event.

We can accommodate groups from 10 to 100, with three flexible event spaces fully equipped for presentations, briefings or just that well-earned victory speech.

Whether you're hosting clients or planning a team building day, you're in expert hands. We've been running unforgettable team experiences for over a decade; so all you need to do is step in, cheer on and go for gold (or crystal).

The question is... how many crystals can you collect?
